Availability, Parental Consent & Emergency Contact Information – to be completed by parent/carer

As a member of Yate and District Athletics Club your daughter/son could be asked to compete at any time for the club, in any of the leagues that Yate are involved in.

By returning this completed form, I agree to my son/daughter/child in my care taking part in the activities of the club.

I understand that I will be kept informed of these activities – for example, timing and transport details.

If travelling by coach your child will be in the care of their team managers. For health and safety reasons we would like you to be aware that your child may be unsupervised on occasions; even so he/she will be under clear instructions and must obey the instructions of their team managers at all times.

If the team managers are unable to contact me, immediately the need arises, I further vest in those team managers in charge of the team the power to act *in loco parentis* at all times. I understand in the event of injury or illness all reasonable steps will be taken to contact me, and to deal with that injury/illness appropriately.

I permit them to authorise medical treatment, including submission to an operation (and such further or alternative operative measures as may be found to be necessary in the course of the operation) and administration of a general, local or other anaesthetic for any of these purposes.

My Child should not be prescribed the following drugs:

Equal Opportunities Information

Sport can and does play a major role in promoting inclusion of all groups in society. Yate and District Athletic Club, in line with Sport England policy, is committed to promoting and developing fairness in sport, equality of access, recognising inequalities and taking steps to address them.

Whilst it is not compulsory that the following section is completed, by monitoring our members in these ways we hope to ensure that all young people have an opportunity in the future development and progress in sport.
